

Job Description

Diesel Technician/Mechanic III – Entry Level(1610318)

Description

Position Summary:

Perform minor component repair and all aspects of preventative maintenance on the newest and best maintained fleet of power, refrigerated and non-powered truck and trailer equipment in the industry.

We have industry leading vehicle maintenance and repair technology, tools and experts in the maintenance field and industry. You will receive state of the art training each year on a variety of OEM equipment. Many of our technicians have been trained and certified through Penske's Technician Certification Program which is ASE (Automotive Service Excellence) certified as a CASE (Continuing Automotive Service Education) provider.

This opportunity will be 7:00am - 3:30pm Monday-Friday

Major Responsibilities:

- Vehicle component lubrication and replacement
- Electrical system repairs
- Cooling system maintenance
- Perform basic vehicle diagnostics

Benefits:

Penske values the well-being of our employees and their families. That's why we offer competitive wages and a wide range of benefits, including medical and dental insurance, prescription drug card, 401K and pension plans, flexible dependent care and medical spending accounts, spouse and child life insurance, employee referral bonus, and discounts with Penske partners.

Qualifications

- 1-2 years of automotive or diesel experience preferred
- High school diploma or equivalent required
- Vocational or Technical certification preferred
- Working knowledge in the use of hand tools required
- A valid driver's license is required, and, must either possess a CDL or have the ability to obtain a CDL license required
- Must have a Positive attitude and willingness to grow in position
- Basic computer skills preferred for data entry into maintenance systems.
- Willingness to travel within district (close geographical area), work the required schedule, work at the specific location required, complete Penske employment application, submit to a reference verification (to include past employment and education) are required.

Physical Requirements:

- The physical and mental demands described here are representative of those that must be met by an associate to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
- The associate will be required to remember and understand certain instructions, guidelines or other information. The associate must be able to see and verbally communicate. Specific vision abilities required by this job include close vision, distance vision, peripheral vision, depth perception and the ability to adjust focus.
- While performing the duties of this job, the associate will be required to move frequently, stand, walk, and sit. The associate is frequently required to use hands to touch, handle, and feel, and to reach with hands and arms. The associate must be able to regularly lift and/or move up to 50lbs/23kg and occasionally lift and/or move up to 100lbs/45kg.

Penske is an Equal Opportunity Employer, including individuals with disabilities and protected veterans.
